Finance Report: March – May 2026 Financials

2026 Strategic Priority Areas:

Enablers –

a. Communications

- i. Communications plan will begin in July, with monthly newsletter, 2x social media posts per month.

b. Infrastructure

- i. Colin Walker, Chief Ambulatory Officer at Island Health has jumped right into the clinic planning.
- ii. Island Health and DLR have had several meetings to discuss design elements and provide feedback on spaces, workflow, and office expectations.
- iii. Two quotes received for Geotech assessment, which DLR and AHBL (Civil Engineering) had asked us to initiate.
- iv. Met with Peter Fisher to discuss tribal engagement for the clinic space, will meet with Historic Museum and Orcas center to discuss art inclusion in the clinic.
- v. PFM will come to July board meeting and will meet with Pacifica Law Group to continue public financing options for clinic expansion project.
- vi. New Market Tax Credit financing needs more research and background gathering prior to engaging our consultant, so have not initiated contract.

c. Finance & Operations Sustainability

- i. Ellen and Accounting Consultant, Heather Lee, have worked through new system to include payroll liabilities.

- ii. Balance Sheet and P&L have been updated and are accurate, but figuring out workflows and transactions behind the scenes is still a learning process.
- vii. OIFR Maintenance worker has started. OIHCD and Orcas Library met with them to discuss work order process.

Growth Opportunities -

d. Care for Elders and People with Disabilities

- i. Caregiver Collaborative continues to meet monthly, with the next four months of education topics planned.
- ii. Lion’s Club has invited the Health Care District to engage with their committee managing the former Lahari funds and discuss the scope of those funds.
- iii. MIH Committee met and Peter was able to finalize the ILA contract, including the scope of services and two year pilot budget.

e. Clinical Care

- i. General Surgery has begun to come to visit the island 1x a month for consults, which they would like more promotion around.
- ii. After-hours access continues to be a need to communicate and post more widely, including at the fire hall, resource center and reaching out to the chamber of commerce.
- iii. OB Pre-natal care has begun on the island, with a mix of Orcas provided vs Anacortes required visits. Hiring of a new OB provider in Anacortes will help to build capacity in that program.

f. Health Collaboration

- i. Community Health Network met in a hybrid fashion on June 16th to discuss workgroup progress.
- ii. Strong engagement from Island Health, Peace Health, SJCPHD1, amongst others has built a lot of momentum around the community health network.
